

## TWO ALIANCES, ONE RETIREMENT

At Saturday, Alpha Chad Commonwealth, has done a discussion with The Great Militarland on Union of Robloxia, however Alpha Chad Commonwealth has rejected the offer and decided to stay as allies outside of union. Not all went so well. Due to drama between Phantom and CatGamer, CatGamer decided to leave The Great Militarland and blame President for allowing admin abuse to happen. President in message said about overreacting and that he wont take action, however will act, once CatGamer will do war, which has been suggested by Leader of ACC, Larry, whose group CatGamer could have also left, also due to some drama. At Sunday, Grand Army of Republic, unlike ACC, has accepted the offer. Both groups accepted the tournament idea, however Leader of GAR, carambarito, said that he cannot come on Saturday, therefore tournament will be on Friday.
